There is an escalation policy in place on the occasions where additional midwives are required, these midwives are then deployed from other areas.

**Staffing Concerns** Although there were 50 shifts not covered during this month due to vacancy and sickness, this has impact on the staffing levels, these incidents were escalated to the 104 bleep holder and staff redeployed to ensure patient safety. On numerous occasions the acuity did not require any staff to be redeployed.

<b>Number of shifts where staffing levels are not compliant with planned levels</b>	<b>50</b>
<b>Number of staffing related concerns escalated to Matron or higher</b>	<b>0</b>

**Ward Manager's Assurance Statement**

Staffing is monitored on a 4 hourly basis by the 104 bleep holder who has an overall view of the whole of the maternity service. Staff are moved between areas depending on activity, in order to provide a safe maternity service. There is an escalation policy in place when there are concerns around staffing and activity.
