Statement of main factors taken into account in making the above declaration

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

As in the previous year, the Trust has received a modified audit opinion arising from ongoing deficits and an ongoing requirement for distressed financing. However the Trust is deemed to be a going concern and plans to receive ongoing cash support from the Department of Health. The Trust has agreed its control total for 2018/19 and expects to have the resources to deliver services for the following 12 months.

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
