	Unregistered	10.08		Unregistered	10.13		Unregistered	3
	Total	38.28		Total	34.79		Total	8

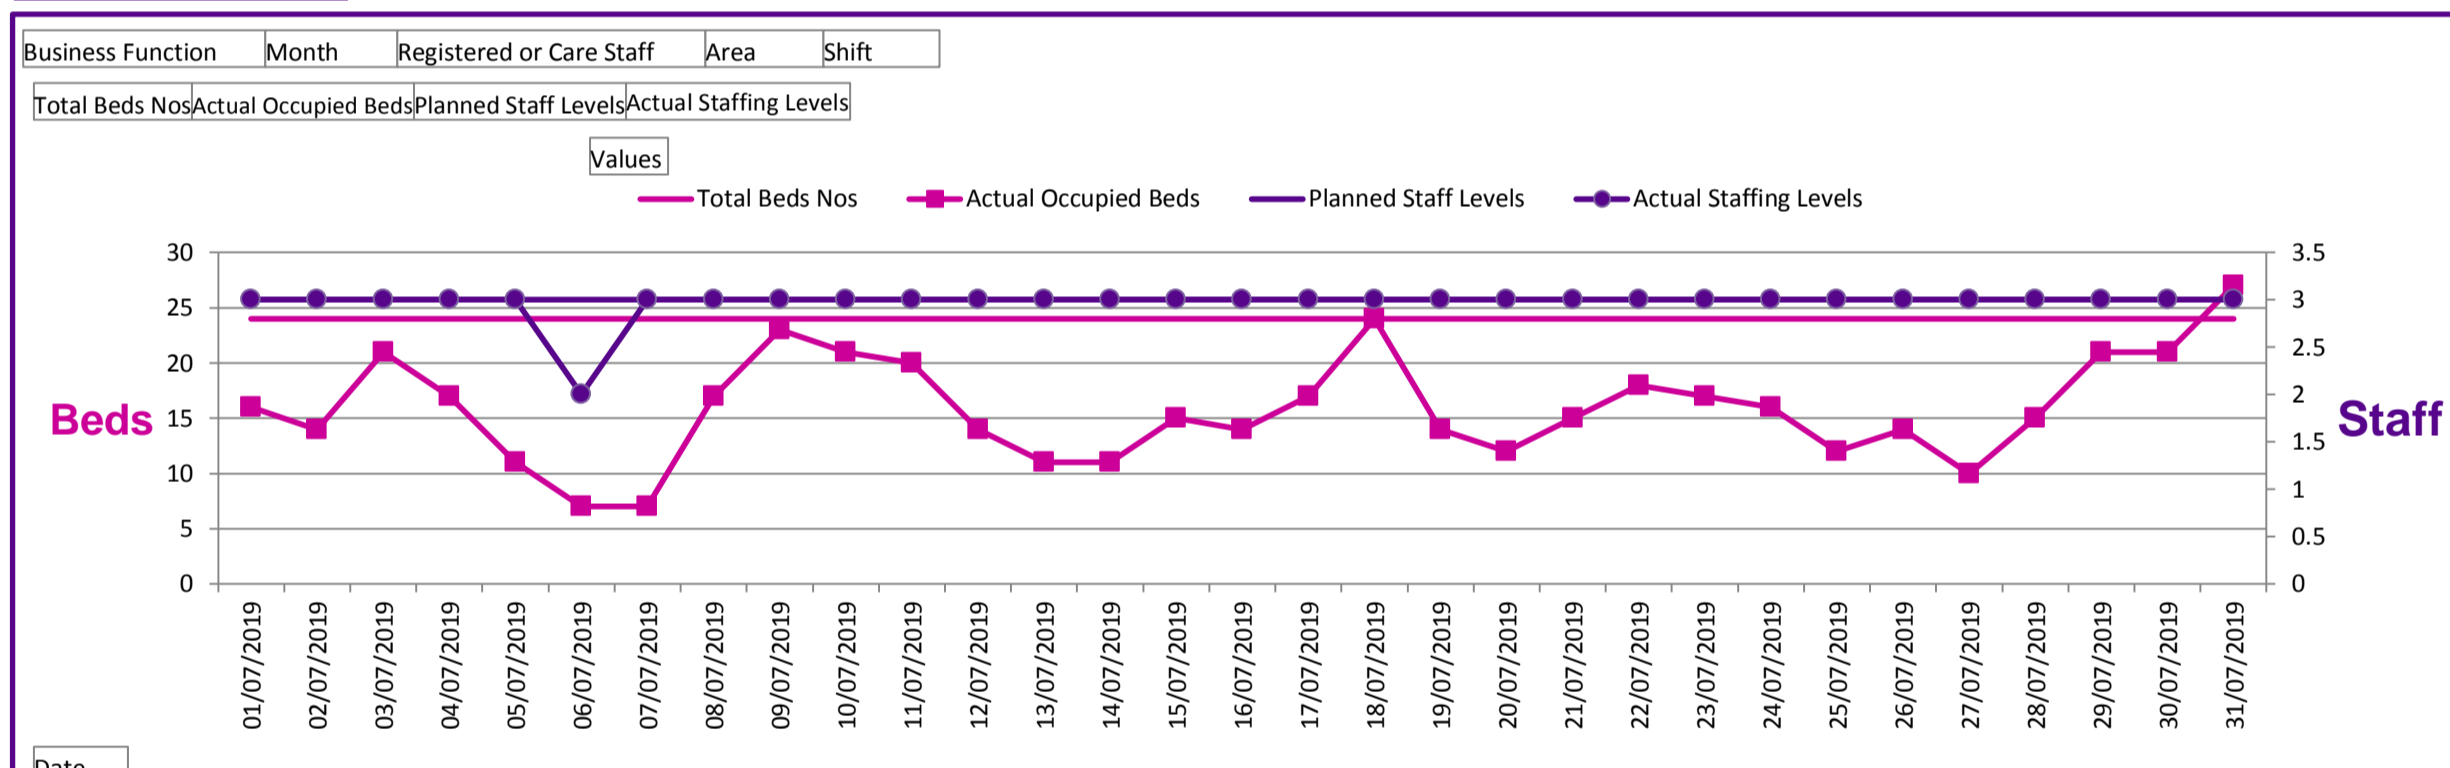

Day Shift

Narrative

For the month of July staff continued to work flexibly to meet the demands and needs of the service. Staff were re-deployed to and from other areas including GED, Bedford and High Dependency unit, in doing so this ensured the staff to patient ratio was always within safe limits based on patient acuity. Patient safety was maintained throughout the month of July 2019.

Night Shift

Narrative

For the month of July 2019 staff continued to work flexibly to meet the demands and needs of the service. Staff were re-deployed to and from other areas to ensure the staff to patient ratio was always within safe limits based on patient acuity. Patient safety was maintained throughout the month of July 2019.

Staffing Concerns

Number of shifts where staffing levels are not compliant with planned levels	0
Number of staffing related concerns escalated to Matron or higher	0

Matron Assurance Statement

On one occasion the 1:8 nurse ratio was breached on night duty on 31/7/2019. This was as a result of high activity in the Gynaecology Emergency Department resulting in admissions to the ward. The nurse ratio was then 1:9. The provided safe care and no issues were escalated to the on call duty manger or matron.

Signed **Gillian Walker** Date **07/08/2019**
