

## Organise your own online event!

### Games Night

For the more competitive among you why not set up a games night! You could organise games such as Pictionary, Hangman or even card games such as Poker or Snap! For the videogamers, why not load the PlayStation, Xbox or PC and challenge your friends to a fundraiser game-a-thon!

### Organise an online social event

You could host a dinner party, a cooking challenge or a quiz night! Ask everyone to donate an "entry fee" to the Liverpool Women's.

### Netflix Party and donate

Why not set up a joint cinema night with your friends using the Netflix Party Chrome Extension [www.netflixparty.com](http://www.netflixparty.com). Choose a favourite film, invite your friends and ask them to donate the cost of a cinema ticket towards our work.
