**Statement of main factors taken into account in making the above declaration**

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

The Trust expects to deliver a breakeven financial position in 2022/23 per draft plans to be agreed with the Cheshire and Merseyside Integrated Care System. The Trust expects to have the resources to deliver services for the following 12 months. The Trust has now paid back all historic distressed finance loans and has only a small remaining capital loan balance. At present there is no requirement anticipated for distress finance, but this facility is available should it ever be required.

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
