

LIVERPOOL WOMEN'S NHS FOUNDATION TRUST MENOPAUSE PRIMARY CARE COLLABORATION PILOT

(FROM MARCH 2024)

Improving Menopause Care for Women across Cheshire and Merseyside

AIMS

- We want to reduce your long waiting times for Menopause appointments
- We want to ensure that if you have a complex case of Menopause, you get care in the right place
- We want to ensure that primary care have a consistent knowledge of managing Menopause
- We want to ensure you can access appointments easily by having appointments closer to home

THE PILOT WILL RUN FOR 3 MONTHS

THE PILOT MODEL

We will be working collaboratively to deliver the following:

- We will be training GPs and GP Nurses to achieve a British Menopause Society Principles and Practice of Menopause Care (PPMC) Certificate
- We will be supporting GPs and GP Nurses to run clinics in the community
- We will provide mentorship provided by Liverpool Women's NHS Foundation Consultants to all clinician participants

BENEFITS

30 to 60 additional appointment slots expected during the pilot

18 weeks or less aim for a first appointment by September 2024

The same Menopause care in your community as you would receive in a hospital

Clinics closer to home, with less travel required

SUPPORTS

- NHS Long Term Plan
- NHSE Women's Health Strategy
- Recommendations of CQC 'should dos'
- Elective Recovery Programme following Covid19
